MLS Offers Free Tutoring

Choose MLS for your child's success!

Murray Learning Services, or MLS Tutoring, is an approved New York State "No Child Left Behind" Supplemental Educational Services (SES) provider partnering with parents, teachers and schools to ensure each eligible student receives the maximum benefit from FREE SES tutoring services.

NYS Certified Teachers

Our tutors are NYS certified teachers or highly qualified, degreed professionals. MLS's proven tutor matching process enables us to assign each student an appropriate, specifically selected instructor.

MLS Tutors Work With Your School's Curriculum

Our tutors will not introduce separate programs that may further overwhelm or confuse students. Tutors communicate with your child's teachers and align instruction to support daily classroom lessons. Tutors will assist students with homework and test preparation, while building solid study skills.

Our Success Is Measured By Student Success

At MLS Tutoring, we measure success by student improvement in the classroom and on standardized tests. Our quality tutoring program provides your child with the tools needed to do well in school. When students apply the skills learned in the MLS tutoring program, they are sure to succeed!

Why Choose MLS Tutoring?

1. Low student to teacher ratios.
2. One-to-one and small group programs.
3. Supports your school's curriculum.
4. In-home instruction available.
5. Flexible tutoring locations & schedules.

Frequently Asked Questions

Q: How many students work with each teacher at the same time?

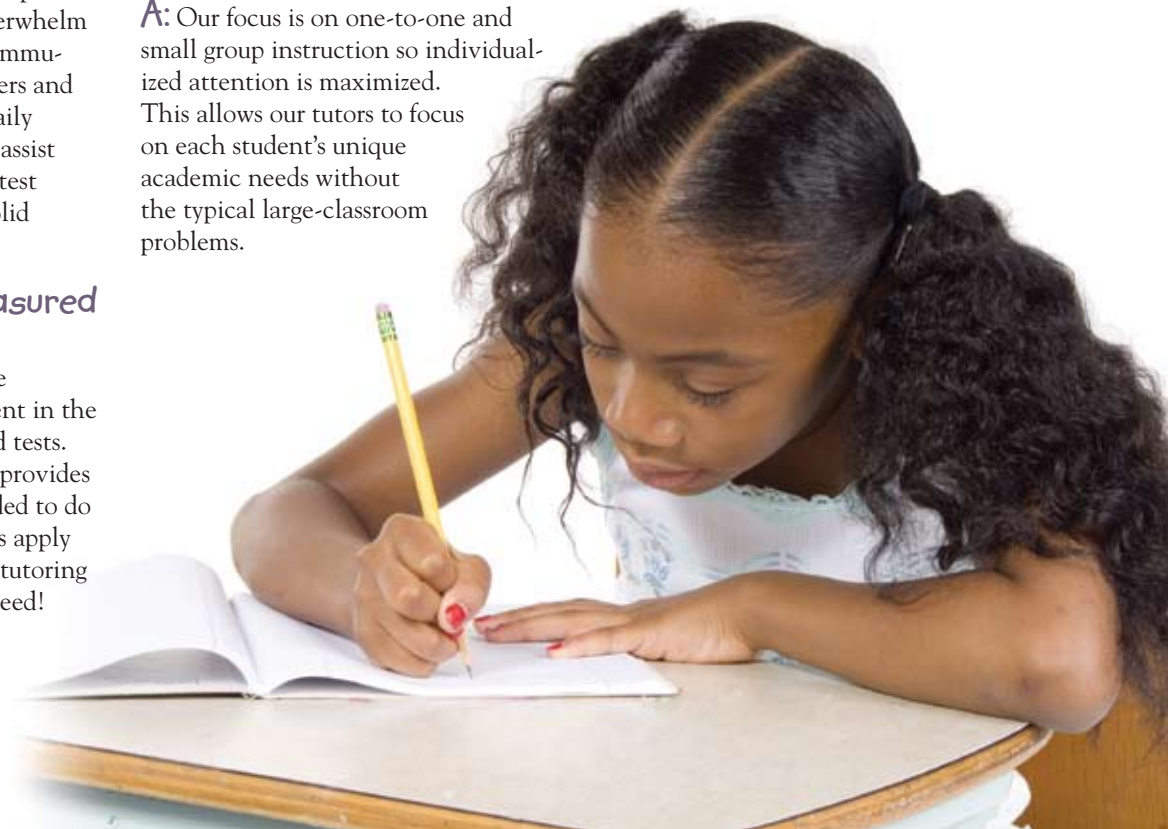

A: MLS Tutoring offers the most effective methods of tutoring based on one-to-one and small group instruction (typically 2-6 students per teacher). We believe in maximizing students' individualized learning to increase your child's success in the classroom.

Q: How many students and teachers will be working in the same room?

A: Our focus is on one-to-one and small group instruction so individualized attention is maximized. This allows our tutors to focus on each student's unique academic needs without the typical large-classroom problems.

SERVICES

For more information contact your Murray Learning Services representative, they would be happy to provide you with additional information.

What Parents Are Saying About MLS Tutoring

"We want to express how thankful we are with your program. My daughter has demonstrated a great academic advance."

"Second marking period grade in math was 90%, up from 65%."

What Teachers Are Saying About MLS

"He has shown tremendous growth in his work. His report card grades are considerably higher and he is becoming more confident in his ability to succeed."

"Working in small groups has benefited him tremendously. He has become more motivated through a feeling of success."

"Without MLS Tutoring she would not have been passing Language Arts, Reading and Math."

"Students are excited to be able to finish their homework and improve their grades."

Q: Will my child work with the same tutor at every session? Do you offer flexible scheduling?

A: The same MLS Tutoring instructor(s) work with your child at each session. Each instructor is flexible enough to meet your scheduling needs and work with you to determine the best tutoring location.

Where Will Tutoring Occur?

- Our free tutoring services are offered in-school, at libraries, community organizations and even in your home. We work with you to determine which location best suits your child's needs.

Will an instructor always be present in person, or does tutoring occur "online"?

- Students participate with tutors in person. Some providers offer their services over the Internet, but MLS instructors offer in-person interaction that cannot be provided online. They are real people, from your community, that understand the needs of your child.

What kind of curriculum will you use?

- MLS works with your child's schoolwork—we do not introduce an additional and possibly more confusing curriculum. Teachers agree this to be the most effective way for students to make immediate academic progress in classroom grades and test scores.

Who are your tutors, and what are their qualifications?

- All MLS tutors are highly qualified instructors. Your child's tutor will be a state-certified teacher or have a comparable accreditation. Our instructors have the best training and background to provide for your child's academic needs. MLS tutors know what it takes to supply students with the tools they will need to achieve success in the classroom.

When does your program start and how long is it?

- Your child's tutor will be available when your child needs him or her the most. Our programs are not limited to a few weeks during the school year. We will work with you to determine the best way to use your child's allocation of

tutoring time within the constraints of your school district's requirements.

Do you offer a sign-up bonus?

- MLS tutoring has successfully provided both SES and private tutoring services for many years. The quality of our tutoring programs and our reputation for success speak for themselves, which is why we do not use any sign-up gimmicks or promotions.

Do you offer summer tutoring?

- Our focus on children's individual learning needs means that MLS tutoring offers qualifying students a chance to achieve even more with our MLS Tutoring Summer Scholarship program. This could mean free tutoring for your child during the summer.

Why should I choose Murray Learning Services as my child's provider of free tutoring services?

- At MLS Tutoring we strive to provide you with the best combination of services. Our goal is to give your child the maximum amount of one-to-one or small-group instruction, with a strong focus on your child's unique learning needs. We believe that we can provide your child with the tools necessary to **Achieve, Excel and Succeed** in the classroom and beyond.
